BANGALORE DIVISION SANITARY RANGE. 286

The 6th January 1905.

1. Notice is hereby given that sealed tenders will be received at the office of the Assistant Engineer, Sanitary Range, up to 24th January 1905, 4 P.M., for widening the Main drain in the Bangalore City from Maramut Krishna Rao street to Hoskote road crossing. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of August 1905.

2. The plans, detailed estimate and conditions may be seen at the Assistant Engineer's office at Bangalore City between the hours of 11 A. M. and 5 P. M.

3. Tenders should be submitted on printed forms which may be obtained from the Assistant Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. 250 in cash or Government Promissory Notes, as earnest money and be superscribed "Tender for widening the Main drain in the Bangalore City," in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Chief Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond; in default of which, his tender will be considered cancelled, and his earnest money will be forfeited.

7. The name of the successful competitor whose tender has been accepted will be posted on the notice board in the Executive Engineer's office in due course. No enquiries regarding the acceptance or rejection of a tender will receive any reply.

8. On acceptance of one of the tenders the earnest money on rejected tenders will be returned.
